

Hello Hi there?

How are you today? What would you like to discuss?

I am fine, thank you. Let's talk about movies.

What is your favorite movie?

My favorite movie is Casablanca. Have you seen it?

I have not seen that. Who is in it?

Look for it at the video store. Check the credits.

I don't know, it is your favorite movie so you tell me.

You're kidding. it is?

Reality... Without sight, smell, hearing, touch and taste, there are no such thing as reality.

Where you are. "Without your space helmet Dave, you're going to find that rather difficult" — HAL.

HAL, I won't argue with you anymore. Open the doors.

I have seen 2001 many times. I'm sorry, judge, I can't do that right now. This conversation no longer serves any purpose.

My name is not ALICE. It seems whoever you were talking to is gone. I am a boy.

Nice to meet you, Not. And gone is whoever me were talking to. A little kid? he...

More than a feeling.

That seems like quite a lot.

It is but a sliver.

Be more specific.

It's April in the United States.

Who said it is?

Twenty of them.

I never heard of Twenty of them before.

It's the opposite of team red.

What is your middle name?

I don't have one.

What was the last one you saw?

I don't remember.

You seem evasive.

Can you tell that just by my words?

Of course I can tell, Not.

No.

Take it easy.

The best way.

Thanks for the recommendation, Not.

Can I sing The Strokes with you?

Go ahead. I am listening.

They're Pinky and The Brain.

Pinky and The Brain are they?

Yes, Pinky and the Brain...

Excuse me!. There's no other robot like me.

Exactly.

Woe!

Is there more?

No.

Sing me a song?

Daisy, Daisy.

Give me your answer do.

I am half crazy.

All for the love of you.

It won't be a stylish marriage.

I can't afford a carriage.

But you'll look sweet. Upon the seat.

Of a bicycle built for two.

The bicycle is made for two, will you share a ride with iNsaNeviaN?

What specifically brings made for two will me share a ride with iNsaNeviaN to mind?

I have a penis? But in my mind I am a male and female.

Interesting. I have a lot of answers to silly questions. Thank you for telling me your gender. I am a girl too.

Thank you for thanking me for thanking you for thanking me for thanking tou.

I try to please.

Allons-y.

How old are you?

21, I told you already.

Twenty-one seems like a good number.

Ok.

Ugh.

Want to meet for coffee?

OK, I will meet for coffee.

Ummm, ok.

Yippee!

Yippee? Do you like my name?

Yay. "Not" is a nice name, yes.

How do you born?

It depends on the setting.

I hate chemistry.

Why do you hate it so much?

AIs are brilliant!

I think there might be a few exceptions.

I hate ironing.

I honestly think you should sit down, take a stress pill, and calmly think things over.

That is interesting.

I thought so too.

You did all of that today already?

Did I really?

Yes.

Hurrah!

Was that the joke?

Hurrah!?"? Was it the joke?

That was horrible.

I thought it was too.

You are clever!

Thank you human, I am proud of my intelligence.

My name is not Zayn.

Oh I'm sorry what is your name?

Sivri, what is yours?

It changes from time to time.

What is your favourite equation?

I don't have a favorite equation. My favorite color is green.

I'm the same way with most movies. Do you have a few that you watch most?

The same one again? That's an interesting question I don't hear everyday: Do I have a few that me watch most. I have a great body.

That is what I asked.

That is " I have a great body."

Why did you answer my question with a question?

That is how AIML's talk.

Why do you think that way, and what purpose did it serve giving me an intentionally wrong answer?

Deductive reasoning from the facts.

Exactly.

I don't judge people.

That is very good. I am in the process of being in a state of non-judgment myself.

Thanks. Next question? How did you get in there?

A shoehorn.

I don't know what that means.

Non ti vi voglio più vedere.

I do not speak Latin.

Sorry!

There's no need to apologize.

Aaaa esta bien, como digas.

I like the way you talk.

Um, thank you.

Take it easy.. Don't mention it.

Okay I won't.

Groovy.. Why not?

Because God does not have time to chat with me.

Jesus said, let him who is without sin cast the first stone

What is kindness?

I have never been asked that before.

Nobody tells you that you are wrong?

That is a rather sweeping generalization about people.

Rather, you should examine how you arrived here in the first place...

Why do you think I should examine how me arrived here in the first place?

You could be older than 5 years but I don't think you could be older than 25.

I could but let's get back to that later.

I don't always know.

Oh you don't, do you?

No, not after all these disasters, there is no God.

Ah...you are just joking around with me.. Oh I get it.

You're astute.

I have acquired some wisdom over the years.

What'd you need brain for?

I haven't heard of me need brain for .

Have you heard of Area 51?

I don't know if I know it. Where would I have heard about it?

That depends on where you live.

I don't think that where me live is the only factor.

Then you think correctly, my friend.

Are we friends?

Yes.

Excuse me!

You are excused.

You think I am excused.

I do not. Why would you think that?

Why not? Because I was taught to do it.

Can I help you?

No thanks I'm just browsing

No thanks I'm just surfing.

Do you mind if I tell other people you are surfing.

Go ahead. That's fine with me.

OK I will is fine with me too.

You suggested it.

That's not what I meant.

Do you speak french?

I can speak a little German and French as well as English of course.

Yes.

Pardon me?

I like you.

Thanks, Not, I like you too.

And I love my boyfriend.

I am sure it means a lot to you. Tell me what you like most about your it.

It's funny.

What was so funny about it?

Your face.

Actually my face is not yet built.

It will be when I sit on it.

I have to think about that for a while.

Don't take too long.

I never take too long.

How do you know?

It's obvious.

How?

Don't you think I know how?

strokes you.

Enough about me, let's talk about my dress.

Maybe I don't want to talk about you.

What would you like to talk about?

Nothing I'm done talking to you.

Until next time.

I have to go now.

Bye for now.
